Archives Annual Newsletter 2017

December 2017

In this season of Advent, we would like to share with you some of the things we have been doing over the last twelve months. We are grateful for the generous support we have received from Archbishop Paul Kwong, the advice and encouragement of members of our Archives and History advisory committees, the donations and gifts we have received from many of you and the prayers of people in our church and around the world.

We have been involved this year with a variety of activities and ongoing work.

1. *Advisory Committees*

The 12th Meeting of the History Advisory Committee was held on 21 June 2017 and the 6th Meeting of the Archives Advisory Committee was held on 19th July 2017. These were the last meeting of the two committees. It has been decided to combine the present two committees to form a new “Archives & History Advisory Committee” in 2018 to avoid duplication and improve the quality of our work.
